

“The Laryngectomy Guide” in Korean

Itzhak Brook

Department of Pediatrics, Georgetown University Medical Center, Washington DC, USA

Dear Editor,

I am happy to announce that the “The Laryngectomy Guide” is available now in Korean as an eBook (free) and paperback. The translation from English was supervised by Professor Chung-Hwan Baek, from the Sungkyunkwan University School of Medicine, Seoul, Korea.

The Guide provides practical information that can assist laryngectomees with medical, dental and psychological issues. It contains information about side effects of radiation and chemotherapy; methods of speaking; airway, stoma, and

voice prosthesis care; eating and swallowing; medical, dental and psychological concerns; respiration; anesthesia; and travelling. The American Academy of Otolaryngology Head and Neck Surgery made the English edition available for free download on their website: <http://www.entnet.org/content/laryngectomy-guide>. E-book of the Guide in Korean is available free at: <http://bit.ly/2F2k2py>. Paperback copies can be obtained at: <http://bit.ly/2TFHyAt>.

I hope that you will find the Guide would be helpful to laryngectomees and their medical providers in Korea.
